New products, new looks

Underline your windows with greenery or flowers. Classic window boxes from Walpole Woodworkers offer a variety of styles, including a new line of boxes crafted from a durable, maintenance-free wood alternative. See the entire collection at [www.walpolewoodworkers.com](http://www.walpolewoodworkers.com) or call (800) 343-6948 to find out more.

Designed to complement the company's line of windows, patio doors from Andersen are now available in custom sizes. Doors in the 400 series feature high-performance glass, natural wood interiors, and your choice of in-swing, out-swing or gliding operation. Go to [www.andersenwindows.com](http://www.andersenwindows.com) or call (800) 426-4261.

Retractable screens on Kolbe and Kolbe's windows roll down when needed and neatly hide away when not in use. The screen kit can be pre-finished or finished on site to match the windows' interiors. To find a supplier near you, log on to [www.kolbe-kolbe.com](http://www.kolbe-kolbe.com).

Add sparkle and style to window treatments with distinctive rods and finials. Vesta's line of drapery hardware (available through design professionals only) includes glass and wood finials in a wide range of styles. To see more, go to [www.ivesta.com](http://www.ivesta.com).

Solid bronze fittings from Rocky Mountain Hardware accent a line of windows from Pella. Casement crank handles and sash lifts are available in seven bronze patinas. The special hardware is also an option on patio doors and entry doors. Visit [www.pella.com](http://www.pella.com) or call (800) 374-4753.

Enjoy the view but still shield your rooms from UV rays with Solar Shades from Smith + Noble. The shades are available in more than 20 semi-sheer fabrics that preserve your view while minimizing glare and heat transfer. For more information, see [www.smithandnoble.com](http://www.smithandnoble.com) or (800) 248-8888.

Made with hardwoods like cherry and oak, Hunter Douglas's Country Woods blinds add cozy warmth to your windows. Look for an array of wood finishes and a line of wood cornices that can be used to top the blinds at [www.hunterdouglas.com](http://www.hunterdouglas.com) or call (800) 789-0331 for more information.
